for the Public Works and Engineering Department**

To: Whom It May Concern:

This correspondence serves as official notice that the City of Houston has completed its review of all bids submitted in response to the above referenced ITB. Please be advised that after careful examination and review of all bids, Smith Pump Company, Inc. has complied with all the requirements of the ITB and submitted the lowest, responsive and responsible bid. Therefore, they were recommended to City Council for the award to provide submersible pump repair services for the Public Works and Engineering Department.

We appreciate your interest in wanting to do business with the City of Houston and encourage your continued interest in all future procurements. Should you need additional information, please contact Art Lopez at 832.393.8731.

Sincerely,
